

Entry Level ElectroMechanical Technician

QUASAR Federal Systems is looking for an entry level Technician to join our electromagnetic sensor technology development team.

The responsibilities of this position will include:

- Assembly and disassembly
- Running of tests, performance verification, and experiments as needed
- Possibly some field work
- Other responsibilities as required

Minimum of two-years' experience in electro-mechanical assembly is required. Must be able to read electrical schematics and mechanical drawings. Soldering and test experience is required. An associate degree in Engineering or related field, or equivalent training is desirable.

Familiarity with Microsoft Office products, specifically Excel and Word.

Applicant must be a US Person pursuant to US CFR 22 Sec. 6010. Ability and willingness to obtain and maintain a DoD security clearance preferred.

Please send resumes to jobs@quasarfs.com.
